

FONZU RABBIT

Words and Music by Michael Piscopo

In a magic meadow
Beneath the mango tree
Creatures live together
Happy as can be.
Little Lola Ladybird
And Miću Pussycat
With their best friend Fonzu
Exploring this and tha – a – a - at.

Fonzu Rabbit
Says 'Vegetables are cool !'
Fonzu Rabbit
He never misses school.
Fonzu Rabbit
He wants to win the cup.
By eight o'clock he's sleeping
And at seven he wakes up.

Fonzu enjoys reading
A little every day,
And when he's done his homework
He goes outside to play.
Hopping, running, skipping
And games of every kind,
And before leaving he makes sure
No litter's left behi – i – i – ind.

Fonzu Rabbit
Says 'Vegetables are cool !'
Fonzu Rabbit
He never misses school.
Fonzu Rabbit
He wants to win the cup.
By eight o'clock he's sleeping
And at seven he wakes up.

With Mić and Lola
Eating granola
Never drink cola
So that their teeth shine brightly
Whenever they say 'Chee – ee – ee - se'

Fonzu Rabbit
Says 'Vegetables are cool !'

He never misses school.
